*Dear friends I go, but do not weep,
I've lived my life so full so deep..
Throughout my life I gave my best
I've earned my keep, I've earned my rest...*

*I never tried to be great or grand,
I always tried to give a helping hand..
If I helped in a team or if I helped on my own
I was more than repaid by good friends I have known...*

*And if I went that extra mile,
I did it with pleasure, it was worthwhile..
If I brightened your path then let it be
A small contribution from my loved ones and me...*

*But mostly I cherished the dear ones I knew,
In a bond never ending so precious and true..
Now sadly I leave you and travel alone
Through the mystic veil to the great unknown...*

*With beautiful memories that will forever be
The way I hope you'll remember me.*
