Beloved son of Nancy and Bob,  
much loved brother of Justin,  
and a wonderful friend to many.

Jeremy was a freshman at Johns Hopkins University (JHU) in  
Baltimore Maryland.

He was playing Division I lacrosse, his dream.

Johns Hopkins has established the “JERM 19 Fund”, an  
endowable Jeremy Huber music scholarship at the Peabody  
Institute at JHU in honor of Jeremy’s love for music.

His lacrosse teammates all called him Jerm and his number  
was 19, thus the fund name.

The link below is for Jeremy’s scholarship.
