

**Zoroastrian Community Trust of New Zealand [ZCT] has a vision to build a community centre and make it a permanent place of worship for Zoroastrian living in Auckland, New Zealand.**

On Sunday 4<sup>th</sup> August 2013 as a fund raising event, the ZCT Trustees organised a memorial tree planting at CUE Haven. The Trustees invited supporters and their friends to purchase and plant trees in memory of departed loved ones.

For the memorial plantings, CUE Haven's owners Mahrukh and Thomas Stazyk had kindly donated kahikatea trees to ZCT. The kahikatea (*Dacrydium dacrydioides*) is New Zealand's tallest native tree, growing to 60 to 80 metres. Kahikateas live for hundreds of years, making them excellent memorial trees.

The ZCT Trustees want to thank everyone who contributed to ZCT's fund raising efforts by purchasing memorial trees for planting and came along to plant the memorial trees. A special thanks to Mahrukh and Thomas Stazyk for their support and generosity.
