

Ingrid Scholtz (née Lunnon)

Ingrid Scholtz - (née Lunnon)
05 September 1960 – 12 November 2016

This morning a wonderful mother, loving wife, loved sister, exceptional teacher and fantastic friend was taken from us. Ingrid, you fought your fight with dignity and bravery, lots of smiles, cups of tea and a prayer in your heart. We will miss you every day, but we know that you live on in the hearts of all that loved you! Our lives will never be the same, but we were blessed to have you as our mom, wife, sister, teacher and friend.

RIP Ingrid
