

Edyn Shannon Sheena Peni Rubena-Misilisi

3 July 2002 – 10 November 2018

*Friend of many with a heart of gold, kind, caring, a giver, talented saxophonist and musician, and high academic achiever.*

*Loved by her family, teachers, band members and friends.*

*Edyn, we will miss your afro curls bobbing up and down as you walk; hearing about your day at school; listening to you blowing on your saxophone; and even your k-pop music that sometimes drove us up the wall; your talent of making things out of nothing; keeping your room messy; and calling your name out three times before getting a response.*

*Beloved little sister of your big brother Devoe, favorite first cousin to Lil Eric, only niece of Aunty Shannon and Uncle Eric, and best friend to your fur-brother Bossy. Nana, Pappa and Olu will look after you until we meet again.*

*Love you monkey,  
Mum and Dad*
