Suggested scenic route to explore CUE Haven

We would suggest taking the Tui Track from behind the nursery up all the way via the Piwakawaka Track, Riroriro Track and Rimu Track to the Wishing well. Turn right at the Well and follow the Miro Track and Kanuka Track up to Te Rite o Taranaki. For a longer 300m walk take the Hebe Track.

Walk down from the Kanuka Track or the Kowhai Road. Take a scenic walk along the Totara Track and Kauri Track to the Kowhai Road. Walk up the Kowhai Road and enter the Taraire Track and walk across the gully and turn right towards the Piwakawaka Track. At the junction with the Tui Track turn right go down the steps to the Morepork Track to see the ancient Maori pools (Otakamaitu settlement). Continue up the steps past the Morepork sign and follow the Morepork Track, Puriri Track & Manuka Track down towards the wetlands Purei Boardwalk and Kahikatea Boardwalk and back to the cottage.

There are benches along the way for you to relax and have your picnic and enjoy the native bush.

A leisurely walk of this circuit with rest stops can take 2 + hrs. Enjoy!!
